

Ogwen erratum slip

The publisher wishes to draw attention to the following errors

in the photodiagrams to the Ogwen - second edition (2010) reprint 2023:

P114 Photodiagram Central Buttress: *routes numbers 3 and 5 are the wrong way round*

Route 3 should be Overlapping Rib Route not Pinnacle Rib Route

Route 5 should be Pinnacle Rib Route.

P122 Photodiagram, South Buttress: *The first pitches of; Apex Route, Crackerjack and Gashed Crag*

are shown incorrectly as starting below Heather Terrace.

An amended photodiagram and information on some new routes have been uploaded onto the Climbers' Club Website as a free download.
